

# Caribbean Discount Loyalty (CDL) Card: A Comprehensive Guide

Welcome to the **Caribbean Discount Loyalty (CDL) Card**, your gateway to exclusive benefits, discounts, and rewards across the Caribbean! With the **CDL Card**, you'll unlock a world of convenience, savings, and privileges whether you're traveling, shopping, or enjoying world-class services in the Caribbean.

## What is the CDL Card?

The **Caribbean Discount Loyalty (CDL) Card** is a unique loyalty program that gives you access to exclusive deals, discounts, and perks from participating merchants, service providers, and resorts in the Caribbean. By registering for the **CDL Card**, you'll be assigned a unique 16-digit number known as your **CDL #**, which acts as your personal identification number for all **CDL-related** services and transactions.

## How the CDL # is Structured

Your **CDL Card** number is a 16-digit code in the format:  
CCMMYYYYZZVPPPP

Here's a breakdown of what each part of the **CDL #** represents:

- CC – The Country Code of your birthplace (e.g., "JM" for Jamaica, "US" for the United States).
- MM – Your birth month (e.g., "05" for May).
- YYYY – Your birth year (e.g., "1959").
- ZZ – The Country Code of your current residence.
- VV – Your gender ("01" for male, "02" for female).
- PPPP – The last four digits of your phone number (e.g., "8643" for a phone number ending in xxx-xxx-8643).

## Example of CDL # Format:

Let's say your name is Winston Small, a male, born in Jamaica (JM) in May 1959, living in the United States (US), and your phone number ends in 8643. Your CDL # would be: JM051959US01 8643

This would be equivalent to a 16-digit number: 5605-1959-8701-8643

This number serves as your **CDL Card** and **CTN Partner ID (CPID)**.

## CTN Partners Commission Structure

**CTN Partners** have the opportunity to earn commission through a multi-tiered system based on bookings made by themselves and their invitees. The commissions are divided into two main categories: **Sales Commission** and **Property Commission**, each with its own breakdown based on the **3-tier system**.

### 1. Sales Commission (for all bookings):

- **10% of the Gross Profit** from bookings made by Partners and their invitees is allocated as the sales commission.
- This commission is distributed among three tiers:
  - **Tier 1:** The person who directly generates the sale (75% of the sales commission).
  - **Tier 2:** The person who invited the Tier 1 partner (15% of the sales commission).
  - **Tier 3:** The person who invited the Tier 2 partner (5% of the sales commission).
  - **Charity:** 5% of the sales commission is donated to charity.

## 2. Property Commission (for properties added by Partners):

- **10% of the Gross Profit** from bookings made for properties added by **CTN Partners** are allocated as the property commission.
- This commission is also distributed among three tiers:
  - **Tier 1:** The person who added the property to the platform (75% of the property commission).
  - **Tier 2:** The person who invited the Tier 1 partner (15% of the property commission).
  - **Tier 3:** The person who invited the Tier 2 partner (5% of the property commission).
  - **Charity:** 5% of the property commission is donated to charity.

### Example of Commission Breakdown

Assume that in a given month, the total gross profit from all bookings is \$100,000, and **10 properties** added by Partners generated a gross profit of \$10,000.

#### Sales Commission Example:

- **Total Sales Commission:** 10% of \$100,000 = **\$10,000**
  - **Tier 1 (Sales Person):** 75% of \$10,000 = **\$ 7,500**
  - **Tier 2 (Inviter of Tier 1):** 15% of \$10,000 = **\$ 1,500**
  - **Tier 3 (Inviter of Tier 2):** 5% of \$10,000 = **\$ 500**
  - **Charity:** 5% of \$10,000 = **\$ 500**

#### Property Commission Example:

- **Total Property Commission:** 10% of \$10,000 = **\$1,000**
  - **Tier 1 (Property Owner):** 75% of \$1,000 = **\$ 750**
  - **Tier 2 (Inviter of Tier 1):** 15% of \$1,000 = **\$ 150**
  - **Tier 3 (Inviter of Tier 2):** 5% of \$1,000 = **\$ 50**
  - **Charity:** 5% of \$1,000 = **\$ 50**

## How the Commission Works for Partners:

- Each transaction is categorized into three tiers based on the person who executes the transaction and the people who invited them. **A person can appear at any tier depending on who is executing the transaction.**
  - For example, if **Partner A** executes a booking, they will earn **Tier 1 commission (75%)**, **Partner B** (who invited Partner A) will earn **Tier 2 commission (15%)**, and **Partner C** (who invited Partner B) will earn **Tier 3 commission (5%)**.

## Key Points to Note:

1. **Lifetime Commissions on Properties:** If a Partner adds a property (resort, hotel, etc.) to the platform, they will earn a **10% lifetime commission** from the gross profit of all bookings made for that property.
2. **Reward Points:** Each Partner earns 100 reward points upon registration, which can be applied to their next booking.
3. **CTN Wallet:** Partners earn commissions which accumulate in their **CTN Wallet**. They can:
  - Use the funds for future bookings.
  - Gift funds to others.
  - Withdraw funds if the balance exceeds \$100.
4. **Invitations and Referrals:** Partners can invite others (via social media, email, phone, WhatsApp) to join CTN as Partners. Each invite carries the referring Partner's **PID (Partner ID)**, and those invited will be tracked and credited appropriately in the commission system.

## How to Manage Your Account as a Partner:

1. **Add Contacts:** As a Partner, you can add your contacts (email, social media, phone number, WhatsApp) to invite them to become **CTN Partners**.
2. **Create Campaigns:** Use the app's API to create campaigns and submit them. The campaign will automatically link to your **Partner ID (CPID)**, allowing you to earn commissions on any resulting bookings.
3. **View Wallet and Commissions:** Track your commissions through your **CTN Wallet** and request withdrawals once your balance exceeds \$100.

## Commission Payout Example: (Based on the \$100,000 Gross Profit and \$10,000 Property Gross Profit)

For every **\$100,000** in sales profit and **\$10,000** from added properties, the following is paid out:

### Sales Commission Breakdown:

- Tier 1 (Salesperson): \$7,500
- Tier 2 (Inviter of Tier 1): \$1,500
- Tier 3 (Inviter of Tier 2): \$ 500
- Charity: \$ 500

### Property Commission Breakdown:

- Tier 1 (Property Owner): \$750
- Tier 2 (Inviter of Tier 1): \$150
- Tier 3 (Inviter of Tier 2): \$ 50
- Charity: \$ 50

This model ensures that **CTN Partners** earn passive income through their own efforts and by building a network of invitees who book properties and generate sales.
